Circular No. 29/2025

Key Deadlines for Year-End Closing in HR for 2025/2026

Dear Sir or Madam, dear colleagues,

This circular is intended to give you information about some important deadlines for year-end closing in HR:

All staffing measures that are to begin on

- January 1 or 15, 2026 must be submitted in full to your HR section by **Friday, October 24, 2025** at the latest.
- February 1, 2026 must be submitted in full to your HR section by **Tuesday, November 4, 2025** at the latest.

This is so that we can ensure in good time that all HR processes continue to run smoothly and in very high quality, including over the year-end closing period.

We would like to point out in this regard that requests of any kind (staffing measures, contract lecturers, etc.) take six weeks to process, or potentially even longer if any checks are needed or documents are missing. As well as processing your requests with due care and preparing the necessary contractual documentation, we will also ensure that the various bodies are involved as appropriate. You are therefore welcome to submit requests for 2026 even at this early stage.

Thank you for your understanding and good teamwork. Please do not hesitate to contact us at any time if you have any questions.

Sincerely,

signed Thomas Rosenkranz
Human Resources Director
